

MAXIMUS

1 - DAY IMMERSION

AGENDA IS SUBJECT TO CHANGE

MORNING SESSION

WELCOME AND ON - COUNTRY EXPERIENCE

The power of intergenerational connection and how this can be leveraged for the challenges important for today.

GENERATIONAL HOPES AND FEARS FOR THE FUTURE

Explore the value in bringing generations together and how focusing on common bonds supports us towards individual, team and organisational success.

KEYNOTE FROM GARY BOLLES: BRIDGING GENERATIONAL DIVIDES IN A CHANGING WORLD

Bolles is an internationally recognised futurist and expert on the ways that the future of work is being transformed by the tsunami of change.

KEYNOTE FROM GARY BOLLES: LEADERSHIP IN TRANSITION

Navigating the Next Decade with Y's, Millennials, and Zoomers in top leadership roles. In small group discussions, we unpack the impact of our experiences so far, and how this is seen in our organisations.

PANEL PART 1: CHANGING THE NARRATIVE

We are joined by entrepreneurs, futurists, leaders and generational workforce experts with representation across generations, to uncover the universal truths and values across generations that will enable successful industries and societies.

AFTERNOON SESSION

PANEL PART 2: NAVIGATING COMPLEXITY WITH EMPATHY, PURPOSE, IDENTITY & GRIT

Drill down into four specific challenges and how these play out across and within generations, anchoring in the context of the future and the realities/responsibilities of top leadership. After the panel, we will join small group discussions to turn insights into action for you, your leaders and your organisation.

EXPERIENTIAL TASTER

This activity will demonstrate how to connect this work back in your workplace to cultivate an environment for a thriving, productive and successful, intergenerational workforce.

NEXT-GEN LEADERSHIP: MINDSET. SKILLSET. TOOLSET.

What's missing from the current vernacular? How can we mobilise conversations, raise awareness and design catalytic programs and experiences that set up for the future? In this session we explore Maximus (Transformational leadership for Next Gens).

CLOSE

Closing comments planting seeds around dualities of leadership and call to action.
